Award honors Floridians who have served in the U.S. Military

Florida Governor Rick Scott's office has contacted Florida Elk, Lenny Smallacombe, to help promote ***The Governor's Veterans Service Award*** program which was initiated by executive order on March 13, 2014. Smallacombe currently serves as the Florida State Elks Association's state coordinator of the Presidential Memorial Certificate program which honors deceased members of the military.

The Veterans Service Award is open to all Florida residents who are either serving honorably as a member of the U.S. Armed Forces, the U.S. Coast Guard, or the U.S. Reserve Forces or any Florida resident who has been honorably discharged or retired from active duty as a member of the U.S. Armed Forces, the U.S. Coast Guard, the Florida National Guard, the U.S. Reserve Forces, or Merchant Mariners with veteran status.

Staff members from the Governor's office contacted Smallacombe and asked if he would assist the Governor in promoting the award. Lenny responded by saying, "I am truly amazed that the Governor's staff would even know of me and ask to assist Governor Scott in promoting this wonderful award. It is totally awesome that 1.5 million living Florida veterans are eligible to receive this honor."
